

# Turkey - Mediterranean Activity Week

**HOLIDAY TYPE:** Small Group  
**VISITING:**

**BROCHURE CODE:** 4016  
**DURATION:** 7 nights

## In Brief

With its long hot summers, inviting local culture, Mediterranean coastline and mountain backdrop, Kaş is an ideal location for a family activity holiday. The water provides a playground for activities such as our lazy boat day and sea kayaking, whilst on dry land, you can enjoy hiking and mountain biking. Both come together in the guided walk through splendid Saklikent Gorge, which also features a session of tubing.

## Our Opinion

“ Kas is a wonderful harbour town, combining a genuine Turkish ambience with a cosmopolitan feel. The first time I heard the call to prayer at sunset, the hairs stood up on the back of my neck. The fusion of cultures from the east and west is fascinating to observe and during your time in Kas, you will learn to appreciate and understand that culture, whilst enjoying superb activities, run by an exceptional team. ”

## Trip Overview

Kaş is a great base for families who want an energetic way to enjoy sun, sea, and sand. There is something for all the family on this holiday: mountain biking, hiking, our famous lazy boat day, sea kayaking, and tubing. There is also time to relax, enjoy the Mediterranean sunshine, and take in the vibrant local culture with its excellent food.

The old town of Kaş is an ideal destination for an activity holiday with its impressive coastline complemented by a wonderful warm climate, cosmopolitan culture, and friendly locals. During the activity schedule, we also explore the nearby mountain range as well as the Mediterranean coastline, allowing you to actively enjoy the area's highlights.

Kaş is one of the few towns along the coast which has not been dominated by mass tourism. As a result, it still retains its fascinating heritage, reflected in the produce sold in the shops, the cuisine served in the restaurants and the architectural history of the attractive old town.

Please be aware that flight availability can be limited during the summer and we therefore strongly recommend booking early.

# Agenda

Please note the order of activities is subject to change

DAY  
1

## FLIGHTS, ARRIVAL AND INTRODUCTION

You will be greeted at Dalaman Airport for the transfer to your accommodation. Transfers will be grouped within an hour of other arrivals/departures. Upon arrival in Kas, you will check into your rooms, following which our local guides will host a welcome meeting to introduce you to the area and discuss the upcoming activities that you will be enjoying throughout the week.

**Included Meals:** None

DAY  
2

## LAZY BOAT DAY

We start with the universally popular lazy boat day which has become a firm favourite with families over the years.

You will board the boat at Kas and spend the day exploring the beautiful coastline, small islands, bays and inlets. As you make your way steadily around this scenic region, there will be the opportunity for swimming, snorkelling, sunbathing and plenty of relaxation with a delicious lunch served on board. The seas surrounding Kas are known for their rich marine life as well as their underwater cultural heritage which includes several submerged shipwrecks. The boat day will last around six hours in total.

This evening after you have disembarked, why not take a stroll down to the seafront and sample some delicious local cuisine?

**Included Meals:** Breakfast, Lunch

DAY  
3

## SEA KAYAKING

To get the best from today's activity it does normally involve an early start from the hotel for the 45-minute drive to the Kekova national park area. Upon arrival at the base here, there will be a full safety briefing before setting out on the first section of sea kayaking. The day is split into three sections of kayaking which each takes around 45 minutes to an hour depending on the speed of the group and the weather conditions.

Today's activity requires slightly more effort than yesterday but you are rewarded with beautiful views from your kayak as you make your way along the coast.

You will paddle over one of Turkey's most famous sites, the sunken city near the island of Kekova which dates back to the second century when an earthquake partly submerged the city. The clear water allows you to see deep into the water to see the ancient buildings below, which adds further to this enjoyable activity.

For lunch, there's a stop at a traditional local village which can only be reached by boat. Due to the early start, the group is normally back at the hotel around 3.30 which leaves plenty of time to enjoy the swimming pool and water slide for anyone with any extra energy!

**Included Meals:** Breakfast, Lunch

DAY  
4

PICNIC HIKE

By now you will have become very familiar with Kas' coastline, so today you will see a very different side to this part of Turkey by heading inland for a walk amongst the towering mountains which surround the old town. As you follow the route with your guide you will enjoy some excellent views of the coast and surrounding countryside.

The group will stop for a picnic lunch along the route on a highland pasture, giving you the chance to rest and appreciate your surroundings. The hike normally lasts between 2.5 – 3 hours depending on the group and the majority of the trail is downhill in a shaded forested area. Following the hike, there will be some free time at a secluded beach area to enjoy a refreshing swim before heading back to the hotel.

**Included Meals:** Breakfast, Lunch

DAY  
5

FREE DAY

Today is free for you to try additional activities such as scuba diving or horse riding (you can arrange these and pay for them locally). Alternatively, you can just relax on the beach - the choice is yours!

**Included Meals:** Breakfast

DAY  
6

MOUNTAIN BIKING

On your final full day in Turkey, you will first explore the dramatic scenery of the Saklikent Gorge, the second-longest gorge in Europe, where the river rushes between steep-sided cliffs. The transfer to the spectacular gorge takes just over an hour and then the walk to explore properly will take approximately two hours and on reaching the bottom of the gorge your next activity will begin – tubing!

You will be given a paddle, your tube and safety equipment before setting off, spinning and twisting your way downstream. The group will stop for a therapeutic mud bath/fight along the way. The tubing

lasts for around 45 minutes depending on local conditions.

This evening is free to enjoy at your leisure.

**Included Meals:** Breakfast, Lunch
