Trip Overview

Explore Norway's second-largest city and 'Gateway to the Fjords' at any time of the year during this three-night cultural city break.

Bergen is known for its UNESCO accolades - there's the world-famous Bryggen Wharf where colourful houses surround the bustling harbour, as well as Bergen's status as 'City of Gastronomy' thanks to the varied and vibrant food scene. You'll discover both during a city and culture tour with a knowledgeable local guide who will take you to all the famous spots as well as some hidden gems only the locals know about. There will also be ample opportunities to sample some exquisite food and for the real foodie travellers, you can opt for a guided food tour of the city - you can find more details in our '[Personalise](#)' section.

You will also have plenty of time to wander the streets independently. As you walk, look out for the colourful graffiti, the wonderful architecture like that of Fantoft Stave Church and the charming short

streets - some of which are so short they only contain one building!

A trip to Norway wouldn't be complete without getting up close to the famous fjords and in honour of its 'Gateway to the Fjords' name, this trip also includes an exceptional cruise to Mostraumen where the fjord narrows to completely surround you with impressive rock formations and cascading waterfalls.

Bergen gives you the chance to discover a city rich in both vibrant culture and unbelievable natural beauty. It is an ideal location to get to know Norway away from large amounts of tourists, and this carefully crafted itinerary ensures you come away with an exceptional insight into this fantastic city, no matter what time of year you choose to visit!

MOSTRAUMEN FJORD CRUISE

Today following breakfast, you will see why Norway is so famous for its nature and in particular, its dramatic fjords.

Just a short walk from your hotel, you will board the modern catamaran. Make use of the large deck to get a first-class view of the fjords, mountains and waterfalls as you make your way to Mostraumen.

The cruise starts from Zachariasbryggen, next to the well-known fish market. As you travel out of Bergen, you will have great views of the colourful buildings of Bryggen before reaching the 27km-long fjord, named Osterfjord. As you cruise nearer to the Mostraumen strait, the fjord narrows leaving you surrounded by jaw-droppingly steep mountains. You will get close to several waterfalls and the crew will even try and collect a sample of the fresh mountain water for you to taste.

Make sure you are keeping an eye out for the abundance of wildlife including eagles, seals and goats. You will be out for approximately 3 hours and there is a kiosk on board selling beverages, snacks and small dishes. The cruise operates year-round - if there is ice on the fjord which limits accessibility, an alternative route will be run.
