

Activity Weekend

HOLIDAY TYPE: Small Group

VISITING: The Island of Gozo

BROCHURE CODE: 5553

DURATION: 4 nights

In Brief

Malta's sister island, Gozo, is said to be its greener equivalent with a landscape and coastline just as inviting. This four-night stay includes three exploration activities of your choosing, all designed to help you discover Malta's tranquil, but just as impressive, counterpart.

Our Opinion

“ Gozo is not just splendidly named, for an island measuring just 9 x 4 miles it really packs a punch. Hilltop villages, fertile valleys, delicious local cuisine, Roman salt pans, stunning coastal scenery and more festivals than you could shake a stick at. The best way to explore Gozo's quiet corners is to do activities which is exactly why we set this trip up. I'm sure you will enjoy it as much as I did. ”

Trip Overview

Malta's smaller, more peaceful sister island is known for its tranquil status but the island has many a hidden secret. Its natural landscape provides the backdrop for some incredible adventures for those who want to explore every nook and cranny of this compact 9 x 4-mile island.

During this 4-night stay, you'll choose from an array of activities specifically designed to help you discover more of Gozo. The itinerary includes three adventures but you decide which ones suit you. Whether you want to cycle, kayak, swim, climb, hike or even Segway across the landscape, the choices are yours.

The blue waters are perfect for gliding over on a kayak, giving you a completely different vantage point. Explore the coastlines of Gozo and its even smaller sibling Comino, visit sea caves and discover secluded beaches in one trip.

For those wanting to stay dry, the activities on land are just as exciting. The cliffs are not only a brilliant location for cycling tracks and hiking trails but also an amazing place for those who want a bit more adventure by climbing up and abseiling down.

Your base is the Cornucopia Hotel, a converted farmhouse full of local character and only a short walk to the centre of Xagħra where you'll find a number of restaurants lining the square. The hotel is equipped with modern amenities as well as luxury features, such as two swimming pools and a Jacuzzi, and there are plenty of opportunities to enjoy all that's on offer.

From the dazzling coastline to the imposing cliffs and fertile valleys, Gozo is the epitome of small but mighty, and this 4-night break is an exploration of its many wonders.
