Our Opinion

“ This holiday provides a fine introduction to a comprehensive spread of Finnish activities. You will have an incredible time with the grand trio of snowmobiling, dogsledding, and cross-country skiing. Trip Overview

Try out a complete collection of classic Finnish activities during our Taster Week in Luosto in Lapland.

We waste no time in getting you immediately acquainted with Nordic favourites and local highlights. You will snowmobile through the snowy wilderness surrounding Luosto to its famous Lampivaara Amethyst Mine. Travelling all the way to this part of the world and not visiting this location would not be right. A fascinating presentation about the gems is followed by a visit to the surface mine. You will even be given the chance to dig for your very own piece of amethyst to take home with you – if it is small enough to enclose with your fingers!

You will also enjoy the delights of cross-country skiing during a ski lesson before taking to the trails which surround Luosto. A highlight of this holiday has to be the husky safari, where bounding dogs carry you through the breathtaking surroundings. A further animal-related experience comes with a reindeer park visit, allowing you to enjoy a magical reindeer-pulled sleigh ride in the forest.

As Luosto is well within the Aurora Zone, you will also have high chances of spotting the glimmering

Northern Lights, and we will improve your chances with an Aurora snowshoe trek.

Retreating each day to your own cosy winter cottage is a joy. Each has a wood-burning stove and private sauna, making for a relaxing stay. You will also have access to the pool and well-being facilities at the nearby Tunturi Hotel, where your half board meals will be served.

If you are travelling over the New Year then you will be joining in with the hotel's wonderful celebrations. These will normally include a celebratory meal and live music on New Year's Eve. Please ask our Travel Experts for further information.

Please note: some elements of this itinerary (including transfers and some activities) are shared with our sister company [Activities Abroad](#) and are popular with families during the school holidays. If a child free holiday is important to your party when travelling, please speak to our travel experts for recommendations.
