

Island Exploration

HOLIDAY TYPE: Small Group

VISITING: Madeira

BROCHURE CODE: 5568

DURATION: 7 nights

In Brief

Madeira may be famous for its fortified wine but it's the vistas you'll want to drink in. During this seven-night holiday, you'll travel via jeep, on foot and during a boat journey to reach exceptional lookout points and find amazing marine life. Don't worry though, wine tasting is also included!

Our Opinion

“ Travelling over the mountains to the less explored north side of the island was an incredible eye-opener. Less developed and with swathes of sub-tropical forest, it offers a very different side of Madeira. Here, waterfalls stream down the verdant cliffs to meet the crashing waves of the Atlantic below, and the views along the coast are quite spectacular. ”

Trip Overview

With rugged, rocky coastline cliffs, luscious green mountains and an abundance of marine life, Madeira's wine might be special but it's the landscape and wildlife that we want to show off.

During your 7-night stay, you'll explore the main island in a variety of ways, travelling across land and sea for the full experience.

Guided walks and jeep tours will take you to some of the best sights, from the dramatic views across plunging valleys to the unobstructed vantage points looking out onto the vast Atlantic Ocean.

Away from dry land, Madeira is renowned for its marine life. During a whale and dolphin watching tour, marine biologists will accompany you on the boat as you look for the many cetacean species swimming freely in their natural habitat.

Of course, your holiday to Madeira wouldn't be complete without sampling some of the wine. During a trip to a Botanical Garden, you'll get more of an insight into the amazing variety of local plant life before going on a wine tasting tour. Trust us, you'll definitely understand what all the fuss is about.

The itinerary also includes plenty of free time for you to experience Madeira in your own way too. Our Travel Experts can give you our personal recommendations from our wonderful experiences here or you can talk to our knowledgeable local guides when you arrive.

DAY
2

TOUR TO NUNS VALLEY

After breakfast, a minibus tour will take you to Nuns Valley, a charming small parish in the heart of the Madeiran mountains with scenic lookout stops along the way.

Madeira has many great viewpoints but Nuns Valley is definitely one of the best we've discovered. This small village was once a refuge for the nuns fleeing Funchal. Sitting in a huge rocky cauldron with green mountains towering above, it's easy to see why this location was chosen for safety.

After touring Nuns Valley, you will return to your hotel around 1pm today.

Included Meals: Breakfast

DAY
3

JEEP TOUR TO NORTHWEST

After breakfast, you'll start your full-day jeep tour to the unmissable Northwest coast.

This tour takes you to the lush northwest, where waterfalls melt into the ocean and lava has been shaped into cerulean pools. Feel the adrenalin-adventure of exploring primitive backroads surrounded by native forest. Add to these a walk alongside the famous man-made channels -called Levada's-with ravishing landscapes and for sure, you will have unforgettable moments.

Tonight, you have a free evening. Relax at the hotel or see more of Funchal's old town.

Included Meals: Breakfast

DAY
4

WHALE AND DOLPHIN WATCHING

Following breakfast, the inviting coastal waters are calling as well as, hopefully, the marine life.

Accompanied by marine biologists, you'll ride in a rigid inflatable boat (RIB) and be on the lookout for the many different cetaceans found in Madeira's waters. These include bottlenose and Atlantic spotted dolphins as well as short-finned pilot whales, and humpback and sperm whales.

After your adventure at sea, you'll have a free afternoon and evening to spend as you please. Perhaps you want to explore the water further during an exciting canyoning or kayaking trip. See our '[Personalise](#)' tab for more information.

Included Meals: Breakfast

DAY
5

BOTANICAL GARDEN & WINE TASTING

In Madeira, flowers bloom all year round, so a visit to the botanical gardens should be included in your programme. Flowers from all over the world can be found here and the view over the wide Atlantic Ocean is breath-taking. To round it all off, there's a little Madeira wine testing.

Included Meals: Breakfast

DAY
6

SERRA D'AGUA LEVADA HIKE

Walking along the "Levada" do Norte" you begin the first half of the walk with superb views of the south coast to then encounter a vast area of Eucalyptus Forest. You will end the walk at a magical place called Era do Mourão. From a 65 km Levada, your guides have chosen the most beautiful 5 km for the hike. It is an easy hike with diverse flora and fauna to enjoy.

After your walk, you have a free afternoon and evening to spend as you please. Relax in the sun or discover more history in one of Funchal's museums. You could also book one of our optional activities. Click the '[Personalise](#)' tab to find out more.

Included Meals: Breakfast

DAY
7

JEEP TOUR TO EAST ISLAND

After a first stop at the bay where the Portuguese landed in 1419/20, in the southeast coast, this tour continues along the ancient royal footpath, where our sight is captured by the geometry of the oldest terraces of the island, along the beaten tracks crossing the indigenous forest. You will be amazed at the isolated rural nature of the villages we will visit. This is a tour rich in culture, with some of the most beautiful landscapes you can set your eyes on and breath-taking trails that will take you from sea level to Madeira's highest mountains.

Afterwards, you have a free evening to spend your last night as you please. Go back and visit your favourite restaurant or treat yourself to an upscale option to end your time here in style.

Included Meals: Breakfast

DAY

DEPARTURE

Sadly, it's time for your island exploration tour of Madeira to come to an end. Depending on your flight time, you'll have breakfast at the hotel or we'll box it up before you're transferred to the airport for your flight home.
